

TAX ABATEMENT FOR NEW HOUSING

Single Family Housing

If you are considering building a house in Martin County, you may qualify to have the County's portion of the property taxes abated, or refunded. You may be eligible to receive up to 100% of the County's share of real estate taxes on a new construction single family home.

For example, \$1,480 in property taxes would be refunded on a single family home valued at \$360,000. That means roughly \$14,800 would be refunded over 10 years!
